THIS BOOK

Tony and Maureen Wheeler first researched Malaysia in 1973 when writing the book that started it all, *Across Asia on the Cheap*. Since then, many Lonely Planet authors have followed in their sandalled footsteps to make sure travellers get the most out of this wild region's idyllic beaches, spicy fusion cuisine and stunning colonial architecture. This 12th edition of *Malaysia, Singapore & Brunei* was researched and written by some of Lonely Planet's finest. Malaysia guru and veteran coordinating author Simon Richmond researched Kuala Lumpur, Selangor and Negeri Sembilan and led a star-studded team of travel writers: Cristian Bonetto, Celeste Brash, Austin Bush,

Joshua Samuel Brown, Adam Karlin and Daniel Robinson. The Health chapter was based on research supplied by Dr Trish Batchelor. This guidebook was commissioned in Lonely Planet's Melbourne office, and produced by the following:
